INET AWARDED WITH CERTIFICATE FOR GOOD CORPORATE GOVERNANCE

(*Skopje 10. December*) INet was awarded for the second time with Certificate for Good Corporate Governance. "Transparency – Zero Corruption" in cooperation with Chambers of Commerce of North West Macedonia within the activities for implementation of the Declaration "Zero" Tolerance for the Corruption, staged election for companies with good corporate governance on which INet was selected and awarded for the second time, with certificate for its good corporate governance.

The election of the companies was carried on by an expert team composed by representatives of the chambers of commerce, university's professors, public sectors, as well as the media and non- government sector representatives, based on prepared methodology and list of criteria.

With this certificate for Good Corporate Governance, INet once again confirms its support of the values:

"We employ the highest ethical standards, demonstrating honesty and fairness in every action that we take"

"We take responsibility for all decisions and actions that we perform"

INet continues with good corporate governance activities, which are a part of the corporate strategy of the company.

INet, an information and communication company has been established with domestic capital as a privately owned company in 1991. The main activities include distribution and implementation of computer, network and communication equipment, covering all the areas of information technology and telecommunications. The strategic alliances with strong partners as IBM (HW & SW Authorized Distributor), Lenovo (Authorized Distributor), SAP (Service Partner), Red Hat (Advanced Partner, Authorized Training Partner), and Xerox (Authorized Distributor), guarantee a global range of innovative top information technology on Software.
