## **INET - WINNER OF THE 2009 IBM SOFTWARE DISTRIBUTOR CONTEST Race among 27 Companies from EMEA Countries**

(Skopje, 14.01.2010). INet is being named a winner in the 2009 IBM SW Value Add Distributor (VAD) contest for Europe, Middle East and Africa (EMEA). Our win against 27 other VADs competing for the top Distributor position in the Group 1 category recognizes the superior performance and achievement of our team in 2009.

In order to give same chance to all, IBM EMEA had created the following four groups:

- **Group 1** : for VADs in level 1, 2 and 3 : 28 VADs competing, one winner - **INET in Macedonia**;
- **Group 2** : for VADs in level 4a and 4b : 23 VADs competing : 2 winners - **AVNET** in Austria and **INDEX** in Turkey;
- **Group 3** : for VADs in level 5, 6 and 7 : 25 VADs competing : 3 winners - **BestWare** in France , **GTI** in Spain and **AVNET** in the UK;
- **Group 4** : for ISV/TP Distributors : 29 VADs competing : 2 winners - **AVNET** in Czech Rep and **V-Mark** in France.

“Two people from the INet team will enjoy an award trip to the 5-star resort, Gleneagles Hotel in Scotland, from April 21-23. It is well deserved!” – said Tony Petreski, Managing Director of INet.

INet, an information and communication company has been established with domestic capital as a privately owned company in 1991. The main activities include distribution and implementation of computer, network and communication equipment, covering all the areas of information technology and telecommunications. The strategic alliances with strong partners as IBM (HW & SW Authorized Distributor), Lenovo (Authorized Distributor & Service Partner), SAP (Sales & Service Partner), Red Hat (Advanced Partner, Authorized Training Partner), Xerox (Authorized Distributor & Service Partner), and Trend Micro (Authorized Partner), guarantee a range of innovative top information technology.
