INET AWARDED WITH A CERTIFICATE "COMPANY WITH GOOD CORPORATE GOVERNANCE 2009"

(Skopje, 10.12.2009). INet has been awarded for the third time with a certificate for good corporate governance 2009. The official award ceremony was held on 09.12.2009 in the Economic Chamber of Macedonia.

INet is one of the six Macedonian companies that fulfilled the criteria for good corporate governance - Ohridska Banka, Komercijalna Banka, EVN Macedonia, ProCredit Banka and Renova.

The event has been organized honoring the IACD – International Anti-corruption Day, 09-th of December, traditionally for the third time, by Transparency Zero Corruption, in collaboration with Economic Chamber of Macedonia and Chamber of Commerce of North-western Macedonia.

The ceremony was opened by Prof. Sladjana Taseva, President of TNK promoting handbook for easier realization of citizens' rights in the front of state institutions - "Anti-corruption manual" and the video "STOP Corruption". "The purpose of the manual is the public awareness with the power of corruption and how to successfully deal with this scourge" - said prof. Sladjana Taseva, President of TNK, noting the role of good corporate governance and social role of the companies during the economic crises conditions.

Mr. Branko Azeski, president of Economic Chamber of Macedonia and Mr. Xhemail Dauti, president of the Chamber of Commerce of North-western Macedonia addressed to the attendances, too.

"On behalf of the management company of the INet and on behalf of employees I would like to thank the organizers of this event for truly confidence and granted a certificate, which for us is very important because we are a company who take great care of good corporate governance." - said Nadezda Dimitrovska, Chief Operating Officer of INet. "This certificate is just another incentive to continue with further activities and their improvement."

Evaluation of the companies was conducted by a team of experts, according to prepared a list of criteria from several areas of activity: management of the company, the attitude toward employees, communicating with customers, relations with suppliers, as well as the contribution of the company in the community and the environment in which act.
