INET RECEIVED ACKNOWLEDGEMENT FOR CORPORATE SOCIAL RESPONSIBILITY PRACTICES IN 2008

(*Skopje, 22.05.2009*). For the second time INet has gained plaque/acknowledgement for positive Corporate Social Responsibility practices. INet was part of the elected short list of nominates in category of Small and Medium Enterprises introducing it self with the project of supporting the fight against youth addictions: Say YES to life and NO to drugs.

In a presence of Minister of economy Mr. Fatmir Besimi, chief deputy of USA Mision, Mr. Tomas Navrati deputy minister of economy and other important gests and representatives of Economic Chambers and macedonian enterprises, guests from neighbouring countries, a ceremony for CSR best practices for 2008 organized by National body for Corporate Social Responsibility was conferred. For the nomination process that occurred from 16th of April till 11th of May, 33 companies had an opportunity to apply with 52 project in total, out of which 24 small and medium enterprises with 27 project in total and 9 big companies that applied with 25 project in total in different areas of corporate responsibility.

„Drogs is serious social problem that concerns the entire community. Setting the aim of raising the awareness of young generation through education and prevention, INet has decided to support this campaign and help the process of education. In 2008 we took part in number of initiatives that gave as motivation to continue and act in all area of social responsibility” – announced Nadezda Dimitrivska, Chief Operational Officer of INet.

Five different election bodies were working on the election process, each for one category of CSR. During appraisal process, high level practices were found, although still needs to be working on CSR areas differentiation.
